

Deirdre Irwin

Deirdre Irwin is the Florida Water StarSM Coordinator for St. Johns River Water Management District. With 24 years of experience at the District, she has worked with the District's surface water regulatory programs, water resource education programs, and certification program development and implementation. Her work as the Florida Water StarSM Coordinator involves administering the program, and overseeing training and outreach for the program.

Deirdre is serving her second term as Vice Chairperson of the Board for Florida Green Building Coalition and is chair of the Education Committee of the FGBC. Deirdre serves on the technical advisory committees for the University of Florida Center for Landscape Conservation and Ecology, Florida Friendly Program UF IFAS Duval Commercial Horticulture Program. Recently, Deirdre has been asked to serve on the advisory committee for the Communities in Excellence Awards program.
